

Then the one who had received the five talents came forward, bringing five more talents, saying, 'Master, you handed over to me five talents; see, I have made five more talents.' 21 His master said to him, 'Well done, good and trustworthy slave; you have been trustworthy in a few things, I will put you in charge of many things; enter into the joy of your master.'

Matthew 25:20-21

## "St. Luke's Got Talent

*(Excerpted from Pastor Lisa's sermon, January 20)*

"What's your talent? You say you don't have one? I don't believe it. More likely, your talent may be hidden. I CAN SAY THAT as your Pastor because I have come to discover some of the hidden talents in our congregation. So today, we are beginning with a game: Who's Who in the Pew! I'll describe the talent. You guess who it belongs to!

Did you know that one of you, sitting in this congregation right now, is an award-winning weight lifter?!

Now, do you know who it is? Here's a hidden talent for sure! So, let's begin with clues. This person entered the "100% Raw Powerlifting" Competition and won their class, defined by age and weight, by bench pressing 77 pounds. After the competition, they later learned that they set the Virginia state record for "100% Raw Powerlifting." Now that you have all the facts, those of you who aren't in the know, can you guess who? My friends, our covert weight-lifting champ is Marcia Grubbs!

Surprised? We usually are, to discover hidden talents. But God never is! God already knows the talents He has given us. And more importantly, God knows if we are using them! Our question to ponder today is this: What are we doing with the talents God has given us? Have we hidden them away or are we using them for His Kingdom?

St. Luke's, what about you?

Among other talents, there's this one for welcoming children and for offering early childhood education. Yours is the best preschool in Richmond. And recently, we have begun to multiply and increase this talent for the Kingdom of God through our Wednesday Night Bible School, bringing preschool families into the worship of God, some for the first time.

And what has God done in response? The Spirit of God, working through the Richmond District of the United Methodist Church, has taken the talent we unearthed, and is multiplying it: \$2000 dollars invested from the annual budget has become \$15,000 dollars to invest this year, and \$15,000 more over the two years after that!

That's multiplication for sure! And our charge is to keep that multiplication going . . . That NOT just ministry, and NOT just money, but MOST OF ALL, believers might increase in this place!! We all have talents! As they say on TV, America's Got Talent, and YES! "St. Luke's Got Talents," too! Friends, let us use them, multiply them, so that we might bring children and new believers into the Kingdom of God!

Blessings,  
Pastor Lisa

## ANNOUNCING:

From among all the churches on the Richmond District, St. Luke's was chosen as the 2019 recipient of the "5 Talent Grant" which provides \$30,000 over three years, to a promising new ministry that has the potential of reaching new persons for Christ. This funding may be used for staffing, and this first year, St. Luke's will seek a Christian Educator to help lead and multiply our efforts at inviting children, young families, and those who may not have worshiped before, into a causal fellowship through our Wednesday Nite Bible School. This program includes children's Sunday School (on Wednesday Nite) and a 30-minute kid-friendly worship service.

Thanks be to God!

## Christmas in January!

At the Annual United Methodist Men's Christmas Dinner, which happened January 19th, the Men presented Pastor Lisa with a rollicking Christmas present! Mindful of the "Oak Ridge Girls" at the December 2018 Youth talent show, Lisa received a pair of ruby red cowgirl boots for the next time she takes the country-western stage!

Lip-synching that golden oldie "ELVIRA!", lead "singer" Shirley Jones, along with her two cowgirl cohorts (Audrey Vogen and Pastor Lisa), had the crowd in stitches at the Youth Dinner and Talent Show in December. his talented trio brought down the house! How 'bout an encore Ladies?

Folks, whenever that encore takes place, Pastor Lisa's cowgirl outfit is now replete with real, rootin'-tootin' cowgirl boots presented to her at the recent Methodist Men's dinner!

December 3, 2018

Dear Virginia Conference Clergy—

The topic of human sexuality has long been a source of disagreement within The United Methodist Church. Right now the topic is the focus of many conversations as we prepare for the Special Session of General Conference 2019 in February.

With tensions so high, congregations may be concerned about what is happening and what this means for their church. As clergy you may feel fear or uncertainty. I send this letter in the hopes of setting us on the same course in the Virginia Conference.

It is my hope and prayer that we can stay a connected church.

As the Apostle Paul tells us in Ephesians 3:20, it is God who can do more than we can ask or imagine. I hope that the Virginia Conference will trust in our Lord together.

The reason I hold out for hope for this denomination's unity is because I know what we can do together. I have seen it.

Our conference has been historically and consistently one of the strongest supporters of the missional connection. Our small and large membership churches, through shared ministry in apportionments, help support Global Ministries and 350+ missionaries in 60 countries.

We have been a part of the church's growth in countries such as Cambodia, Brazil and Mozambique. Through our unique conference Initiatives of Hope missional partnership team, we have:

- Supported church and parsonage construction and lay and clergy leadership development in Cambodia and Mozambique.
- Started educational advancement through school and dormitory construction and scholarships for students in Cambodia.
- Provided tutoring and after school programs for at-risk children in Brazil through the Shade and Fresh Water ministry of The Methodist Church of Brazil.
- Opened dialogue and support for Virginia Native peoples as they seek autonomy and sovereignty as well as offering opportunities in cooperation with the conference Native American Ministries team to provide a family camp.

Through our aid to UMCOR (United Methodist Committee on Relief), we have supported disaster response when disasters such as wildfires and hurricanes are more prevalent. The need has never been greater. In 2017, the Virginia Conference supported UMCOR in excess of \$1.7 million.

Our churches, big or small, are and can be a source of hope. We are never more like the hands and feet of Christ than when we are working together in ministry.

I hope you will use the resources listed below to help start conversations in your context and share information. These conversations will be hard ones, but we learn more from our neighbors by understanding different perspectives.

As we prepare for this Special Session of General Conference, I call upon you, our Virginia Conference clergy, to be a non-anxious presence. Lean away from fear and lean on God. Lean away from uncertainty and lean into the mission of your local churches.

God is here. And God is doing something immeasurably more than we know how to ask or imagine.

# Annual Youth Dinner and Talent Show A Great Success!

Appreciative words from Nancy Taylor:

"This whole thing couldn't go on without her and I really appreciate her . . . Thanks Rachel!"

"I would like to further thank an extremely important person regarding this whole shebang. Rachel keeps the train on the track and continually makes sure everything goes as smoothly as possible. She takes care of numerous details, both large and small."

Nancy

Rachel responds:

"Well, what can I say? The kids were amazing tonight and it looked like everyone thoroughly enjoyed the evening. Every year I don't know how we will top the year before and they do it every time. We are truly blessed to have such fun, energetic and talented kids who are willing to throw themselves into whatever Nancy and Steve dream up year after year.

Nancy, Steve and Lori - a million thanks for putting the program together and working with our youth the past few weeks. You pull out the absolute best in our kids and everyone can see the joy and pride in their faces as they successfully try new things with your guidance and support. I know I am not the only parent that is genuinely surprised at what the kids are willing to do for you.

Haley and Chris - thank you for participating in our performances each year and always supporting our kids with your presence. Chris, you always lead by example and show the kids that it is "cool" to ham it up and have a good time with this. They watch you both and follow your lead, we couldn't ask for a better couple for them to follow.

Carolyn, Rick and Brian - thank you for your hard work in the kitchen today. Carolyn and Rick always spend a good part of the day in the kitchen preparing the food and then cleaning it all up when it's over. It is an exhausting day and your time and energy are so appreciated. Brian, thanks for providing the soundtrack for the evening with your lovely voice in the kitchen (I'm not sure how thankful Carolyn and Rick were about that).

Parents - none of this is possible without you. Thank you for getting your kids to practices, helping with set up and clean up, taking pictures and video, performing in the show, the list goes on and on. Everyone's schedules are so busy and you consistently make time for your kids to come to youth group and participate. Thanks for making it a priority in your lives.

Are we having any youth events before the end of the year? I'm not sure, so keep an eye on your email. If not, we will see you in the New Year and I hope you all have a very Merry Christmas."

# Youth in Mission!

On January 20th, the Youth of St. Luke's and LCOS hosted a pizza party at the Varina Heart Haven home for adults with developmental disabilities. The youth assisted the residents to play bingo and then served them a dinner of veggies, pizza and awesome cookies. The residents were so thrilled for the food and fellowship, and the staff members were delighted at the presence of the youth with the residents. It's only a 20-minute trip to the Varina Home, but a journey deep into the love of God! Thanks, Youth!

**GRILLED CHEESE SANDWICHES**  
**DESSERT**

The youth will provide the sandwiches, dessert & drinks.  
We need your help with the SOUP!

Please email or call the church office if you  
can contribute a soup for the lunch.

We will be collecting a youth love offering & food  
donations for the Belmont Food Bank at the lunch.

## Faithful in Much!

Thanks to YOU, despite missing a Sunday last month, and worshipping despite wintry conditions with only 22 in attendance this month, the 2018 BUDGET IS IN! The down-to-the-wire triumph is especially due to those who estimate and are catching up their estimates of giving, and also because there were those who just felt called to exceed the giving estimates they had already made.

While we don't pay the full list of apportionments, we do pay those that are most essential, including health benefits for active and retired clergy (like Tom Brown and John Peters). We always seek to be faithful and grow in our support of mission and ministry around the globe; as John Wesley said so well, "The world is my parish." Thanks to your generosity, we actually paid \$24,285.00 in apportionments for 2018. This is 64% of our total apportionments.

## Smart Family Baptisms

On December 30, 2018, Brian and Carly Smart brought their sons, Brian Woodrow, Jr., and Sawyer Rodgers, to be baptized. The entire Smart Family was present for the baptisms, including Krystle and her fiancé Brett who will be married in April.

## A Very Beautiful Cantata

The Christmas Cantata, assembled by Bob Ford, included parts for the regular Chancel Choir, the Bell Choir and the Children's Choir. By and large, most of us considered it the most beautiful cantata we have heard. Kudos to all who participated, and Bob, our musical director!

Applause and appreciation for Music Director Bob Ford included his choir members after the 2018 Christmas Cantata
