

Lay Servant as Lay Writer

Hard to believe June is here already and 2024 will be half over. June as does every month has a lot of events scattered throughout the month. June the 1st is Go Barefoot Day as well as National Pen Pal Day and Say Something Nice Day. June 4th is National Donut Day and National Cheese Day. June 5th is National Gingerbread Day and National Ketchup Day.

June 6th D-Day, 7th National Chocolate Ice Cream Day, 8th National Best Friend Day, 10th National Iced Tea Day, 11TH National German Chocolate Cake Day, 12th is National Peanut Butter Cookie Day, the church office got a jump on that one in May, Thanks, Rebecca! 13th is Sewing Machine Day, 14th is Flag Day. June 20th is Father's Day and the Longest Day of the Year and Wild, Wonderful West Virginia will be 161 years old oh, and maybe of some interest summer begins.

June is also thought of as Bride month, when the starry eyed who always dreamed of a June wedding gets to make her wish come true. Speaking of brides, did you know that the church, the body of believers is considered to be the bride of Christ? The bride of Christ is a symbolic term used to refer to the group of believers who are united with Christ. The term is based on various biblical passages that compare Jesus to a bridegroom and his followers to a bride¹. The term is not found in the Bible itself but is a theological expression that has been used for over 1500 years. The bride of Christ will participate in the marriage of the Lamb before the kingdom of God is established.

Meanwhile, here on this third rock from the sun, earth, we must act like the bride of Christ, or as your momma said, "Son, act like you got some raisin'!", or as Paul wrote to the Ephesians (4:17-20) So I tell you this, and insist on it in the Lord, that you must no longer live as the Gentiles do, in the futility of their thinking. They are darkened in their understanding and separated from the life of God because of the ignorance that is in them due to the hardening of their hearts. Having lost all sensitivity, they have given themselves over to sensuality so as to indulge in every kind of impurity, and they are full of greed. That, however, is not the way of life you learned when you heard about Christ and were taught in him in accordance with the truth that is in Jesus. Make Jesus proud!!!

Another bride thing is the honeymoon. In July, when Pastor Tracy takes over, I think she could use a honeymoon period, actually she deserves it just like Klinger when he took over from Radar.

Respectfully submitted,
A. Ray Kyle

D- Day Prayer

June 06, 1944 —

Franklin D. Roosevelt — 32nd President of The United States

My fellow Americans in this poignant hour, I ask you to join with me in prayer:

Almighty God: Our sons, pride of our Nation, this day have set upon a mighty endeavor, a struggle to preserve our Republic, our religion, and our civilization, and to set free a suffering humanity.

Lead them straight and true; give strength to their arms, stoutness to their hearts, steadfastness in their faith.

They will need Thy blessings. Their road will be long and hard. For the enemy is strong. He may hurl back our forces. Success may not come with rushing speed, but we shall return again and again; and we know that by Thy grace, and by the righteousness of our cause, our sons will triumph.

They will be sore tried, by night and by day, without rest-until the victory is won. The darkness will be rent by noise and flame. Men's souls will be shaken with the violences of war.

For these men are lately drawn from the ways of peace. They fight not for the lust of conquest. They fight to end conquest. They fight to liberate. They fight to let justice arise, and tolerance and good will among all Thy people. They yearn but for the end of battle, for their return to the haven of home.

Some will never return. Embrace these, Father, and receive them, Thy heroic servants, into Thy kingdom.

And for us at home - fathers, mothers, children, wives, sisters, and brothers of brave men overseas - whose thoughts and prayers are ever with them - help us, Almighty God, to rededicate ourselves in renewed faith in Thee in this hour of great sacrifice.

Many people have urged that I call the Nation into a single day of special prayer. But because the road is long and the desire is great, I ask that our people devote themselves in a continuance of prayer. As we rise to each new day, and again when each day is spent, let words of prayer be on our lips, invoking Thy help to our efforts.

Give us strength, too - strength in our daily tasks, to redouble the contributions we make in the physical and the material support of our armed forces.

And let our hearts be stout, to wait out the long travail, to bear sorrows that may come, to impart our courage unto our sons wheresoever they may be.

And, O Lord, give us Faith. Give us Faith in Thee; Faith in our sons; Faith in each other; Faith in our united crusade. Let not the keenness of our spirit ever be dulled. Let not the impacts of temporary events, of temporal matters of but fleeting moment let not these deter us in our unconquerable purpose.

With Thy blessing, we shall prevail over the unholy forces of our enemy. Help us to conquer the apostles of greed and racial arrogancies. Lead us to the saving of our country, and with our sister Nations into a world unity that will spell a sure peace a peace invulnerable to the schemings of unworthy men. And a peace that will let all of men live in freedom, reaping the just rewards of their honest toil.

Thy will be done, Almighty God.
Amen.
